### **IOWA SUPREME COURT.**

The Effect of the Previous Decision on the Amendment.

Their Way of Labor and Disposing of Cases-A Long Period of Judicial Labor.

It was our privilege recently to have Day, of the supreme court of this state, during which we gleaned the following information: The supreme court are done with their whole work, there being now no cases on file but those which were submitted to them at the late torm held in this city, and they will be disposed of next week. This -The supreme court adjourned Friday is perhaps owing to the fact that the evening, the judges returning home Satur- whole five judges are gentlemen who about their business, and work hard.

is probably the only supreme court in the United Stases who have been able to keep up with their business, which enjoy good health, have a system About four months of their time per Ogden improving his wealth. year is engaged in term time at the various places where court sessions are of Logan, was at the Ogden. held, Des Moines, Council Bluffs, Davenport and Dubuque. Their usual custom is to hold a ses-

sion in the morning when motions are made, briefs and arguments inprehended unless heavy rains should pretroduced and decisions are read from the bench. In the afternoon the judges take the papers of the cases submitted to their consultation rooms where they are carefully examined by 25 bars Jas. Kirk's Soap..... each judge, and his view of the merits F. Breese, officiating, Mr. Allen Smith and demerits according to the law and Miss Carrie Frank were united as one.

All parties are residents of this county.

The judges cannot tell which case

J. P. Filberts, 209 Up. will come to them, as they are placed -A large docket will greet Judge Love, on the docket in rotation, and then who convenes the United States court here as the cases are filed they are placed to-morrow, and the new U. S. marshal, upon the docket as they come up, Col. Root, will formally open the same.

—If you don't want to get fooled on a corpse or loan a stranger money, read the the cases should their be any desire to do so. The average number of cases per year upon which decisions are rendered are about five hundred, The Nonpareil power press broke down so that each judge must write about yesterday morning after the second paper one hundred decisions a year, and was printed, but by 10 o'clock everything also examine the briefs and other arguments, and give his views in writing to the other judges on the other four hunon the other four hun-dred cases, thus causing each judge to read carefully some thirty thousand pages of briefs and argu-ments, besides examining other points of law relating to the case which requires a great deal of time and hard study. The position of a supreme udge in this state is not a place of retirement for leisure and pleasure, but one of continued, arduous labor, coupled with great responsibility, as we are second to no state in rank of intelligence and importance according to and restaurant at 372 Broadway. The our population. The longest terms of rooms are being refitted in a first class this court are held at Des Moines, shape, and everything will be run accord- where it devotes three wasks twice a year, and then coming to Council Bluffs. ingly. He hopes to open on next Monday year to the work. The cause of there purchased a farm adjoining the city, and ingly. He hopes to open on next Monday morning for business.

—Mr. Foye and Sheriff P. C. Dinamore arrived with a prisoner yesterday from Kansas City, who some time since passed a wooden block off for a board bill. The prisoner makes the best of prison rule and prisoner makes the best of prison rule and prisoner was a work of the amendment question, in which all the people of this state and contact the countries of the work. The cause of there being so long a term here at the Eluffs, usually a full week, is because of its being the place immediately following farmer, and lived to the ripe old age of 79. He work as a very industrial and successful farmer, and lived to the ripe old age of 79. He work as a very industrial and successful farmer, and lived to the ripe old age of 79.
